***Re: EON Corp. IP Holdings, LLC v. Sprint Spectrum, L.P., et al.
U.S. District Court Case No. 3:12-cv-01011-JST***

Dear Judge Spero:

I represent the plaintiff, EON Corp. IP Holdings LLC (“EON”) and I am writing on behalf of EON and Defendant Motorola Solutions, Inc. (“Motorola Solutions”). I am writing this letter in reference to the Court’s Notice of Settlement Conference and Settlement Conference Order (Dkt. No. 826) (“Order”). The parties have successfully conducted face-to-face meetings in conformance with the Order with Cisco Systems, Inc., Motorola Mobility LLC., Meru Networks, Inc. (settled), HTC America, Inc., and Sprint Spectrum, L.P. Your Honor approved (Dkt. No. 855) the parties’ request to conduct certain meetings by video conference with United States Cellular Corporation and Sonus Networks, Inc., which are currently being scheduled and are anticipated to occur this week.

EON and Motorola Solutions had tentatively scheduled an in-person meeting at Kilpatrick Townsend & Stockton LLP’s New York offices for November 25; however, due to several factors, including travel and work schedules of the principals and modification of the existing deposition schedule, EON is now unable to attend the meeting in New York in-person. Motorola Solutions has been unavailable for an in person meeting outside of New York.

Therefore, EON and Motorola Solutions jointly seek leave from the Court to conduct the required settlement meet and confer by telephone, or video conference, by November 25. Alternatively, EON and Motorola Solutions request that the Court allow a face-to-face meet and confer to occur sometime after November 25, but before the settlement conference scheduled for December 5.

Very truly yours,

HOPKINS & CARLEY
A Law Corporation

IT IS HEREBY ORDERED that EON and Motorola Solutions meet face-to-face sometime after November 25, but before the scheduled settlement conference.
